

FRIENDS OF CITY PARK'S

HISTORICAL *Musical Train* TOUR

**Casie Duplechain** (Executive Producer) is the Executive Director of Friends of City Park, overseeing the successful implementation of raising funds for capital improvement projects in New Orleans City Park. Under her leadership since 2013, Friends of City Park has netted over 1.7 million dollars in revenue to improve and preserve City Park, has maintained and increased a strong membership of 5,400 members, and began efforts to increase community engagement and education of City Park through its recently developed City Peek program. A native New Orleanian, she received her bachelor's degree

in Psychology from the University of New Orleans. Casie has been working in the nonprofit sector for over nine years and is passionate about the continued growth of New Orleans. In addition to her work with Friends of City Park, she is an active participant of the New Orleans theatre community, where she currently serves as the Vice President of The NOLA Project. She has worked with various arts organizations such as The NOLA Project, Goat in the Road, New Orleans Opera Association, National WWII Museum, Rising Shiners, and Le Petit Theatre du Vieux Carré. Casie was also a member of the 2017 Emerging Philanthropists of New Orleans class.
