

FRIENDS OF CITY PARK'S

HISTORICAL *Musical Train* TOUR

Earl Lennie, III (Sound Designer) is an award-winning lighting designer and the founder and owner of Catalyst Event Solutions, LLC. He has had a fulfilling career in the world of event production, sound design and lighting design in the New Orleans area for the last 18 years. His work for many musicals and other theatrical productions throughout the New Orleans area has been featured at NOCCA, The National World War II Museum, Le Petit, Southern Rep Theater, Rivertown Repertory Theater, Rivertown Theaters for the Performing Arts, JPAS, Bayou Playhouse and others. His work has been nominated for almost 20 different awards over the years. Earl is extremely excited to have been asked to be a part of the Historical Musical Train Tour. His company was asked to outfit the trains to be used for the tour with a sound system including audio playback and wireless microphone capabilities. He looks forward to working with the amazing cast, crew and creatives to create a one of a kind adventure that can only be experienced in City Park.
