

In memory of Philip L. Campbell (Colonel USA Retired) and with your help, an installation of a bench with a plaque in Couturie Forest will help create a serene and reflective place for our community.

We hope to be able to create a quiet respite in honor of Phil Campbell in Couturie Forest. The Forest is the perfect place to escape from the city without ever leaving town! Combined with Scout Island, the 60-acre Couturie Forest is a nature-lover's haven filled with native trees, scenic waterways, and fascinating wildlife – all in the heart of New Orleans.

Phil and Patsy Campbell are proud members of Friends of City Park, and hope you join them in donating to the second largest city park in the United States.
